

Open Campus Policy

The Administration would like to communicate and remind Logos parents and student body that our Open Campus Policy applies to the Logos campus and the SST campus at the Learning Center. Open Campus is a privilege that requires responsibility and respect.

- Parents who wish to make alternative arrangements need to speak with their Education Specialist or Administrator.
- Students who abuse this privilege may lose this option and either not be allowed to attend on campus classes or other natural and logical consequences.

OPEN CAMPUS EXPECTATIONS

- Students will need to be in a designated study room, making academic progress, working with tutors, teachers, etc. while on campus. Students are not allowed to wander the hallways and otherwise socialize while on campus.
- If students have completed their work/school related tasks and do not want to read, study, etc., they will need to be picked up or leave the school in a timely fashion.

Unless alternative arrangements are made with your ES, your students are free to leave either one of our campuses. The Logos campuses will for all intents and purposes function as a real college campus where 7-12 students can come and go as they please.
