<sup>6</sup> {ORS 339.372 requires the public charter school to have a policy that designates the licensed administrators and requires the school to post the names and contact information of the designees in the respective school building. A “licensed administrator” is a person employed as an administrator by the school and holds an administrative license issued by TSPC or may be a person employed by the school that does not hold an administrative license issued by TSPC if the school does not require the administrator to be licensed by TSPC (ORS 339.370). <sup>7</sup> {Consider that this alternate licensed administrator may need to be a licensed administrator employed by the school’s sponsor if a second licensed or registered administrator is not employed by the public charter school. Discuss this with the school sponsor and insert appropriate language. }

The public charter school will notify, as allowed by state and federal law, the person who was subjected to the suspected sexual conduct about any actions taken by the public charter school as a result of the report.

A public charter school employee, contractor or agent will not assist another public charter school employee, contractor or agent in obtaining a new job if the individual knows, or has reasonable cause to believe the public charter school employee, contractor or agent engaged in sexual conduct. The initiation of a report in good faith about suspected sexual conduct may not adversely affect any terms or conditions of employment or the work environment of the person who initiated the report or who may have been subject to sexual conduct. If a student initiates a report of suspected sexual conduct by a public charter school employee, contractor, agent or volunteer in good faith, the student will not be disciplined by the public charter school or any public charter school employee, contractor, agent or volunteer.
