Board Meeting Agenda

{¹} The Board chair will direct the preparation of an agenda for all meetings of the Board. The Board chair may seek assistance from the [administrator] or another Board member. Items of business may be suggested by any Board member, staff member, student or patron of the public charter school by notifying the Board chair or Director at least three working days prior to the meeting. The agenda will include the principal subjects anticipated to be considered at the meeting and be specific enough to permit the public to recognize the matters in which they are interested. When the agenda includes an executive session, the agenda shall identify the specific statutory citation and appropriate subsection and paragraph authorizing the executive session, as well as a general description of the statutory authorization. (See Board policy BDC – Executive Sessions for additional information.)

The Board chair may direct an amendment to the agenda until it is posted, including adding or removing items. The Board may also amend the agenda during a meeting by a majority vote of the Board. This includes adding items to the agenda during the meeting.

A consent agenda may be used by the Board. The consent agenda will consist of routine business that requires action but not necessarily discussion. These items may all be voted on and approved at the same time. An item on the consent agenda will be removed from the consent agenda upon request of a Board member prior to the consent agenda's consideration. The item removed from the consent agenda will then be placed on the regular agenda.

The agenda, together with supporting materials, will be distributed to Board members at least two full working days prior to the meeting.

Copies of the agenda for the press and public will not contain any confidential information included in Board member packets.
